## WHY THE POINTLESS ANTIQUES?

Potbelly Sandwich Works began in 1977 as a small antique store run by a nice young couple. Despite the fast-paced, never-a-dull-moment world of antique dealing, the couple decided to bolster their business by making sandwiches for their customers. What began as a lark, turned out to be a stroke of genius. Soon, people who couldn't care less about vintage glass doorknobs were stopping by to enjoy special sandwiches and homemade desserts in this unusual atmosphere.

As the years passed, the lines grew. Booths were added, along with ovens for toasting sandwiches to perfection, napkin dispensers, hand-dipped ice cream, live music - even spacious bathrooms. The little antique store had become the full-fledged, totally unique sandwich joint whose menu you now hold today.
